

Icebreaking Experience

A test of strength between the forces of nature and mankind's urge to excel

The hull booms and shudders as it wrestles with the forces of nature. Enormous slabs of ice tumble around on the ice-covered sea. The bolder passengers try bathing among the ice floes, while most watch..

A visit to this endless ice landscape – spiced with polar darkness, the shimmering Northern lights and the dazzling spectacle of the northern sky at night – provides a memory for life.

This is where the motion of the ship meets the stillness of the ice realm. Where dull rumbling meets absolute silence. This is where you meet raw, untamed nature, and get a little closer to yourself at the same time.

Welcome aboard!

Icebreaking Experience

Two-hour tour

Experience the might and the wide-open spaces. This memorable tour gives you a brief taste of what it is like to be close to untamed nature. A hot drink is served during the tour. Winter clothing is available for hire. Maximum 80 passengers.

Icebreaking Experience

Four-hour tour

Be enthralled by the endlessness of the ice landscape, but don't be satisfied by just looking at it. Experience and challenge the forces of nature at close quarters.

You could try bathing among the ice floes in a survival suit. You are given a tour of the ship and get to learn a little about sea travel, ice breaking and the Arctic Explorer. A light meal is served onboard. Warm clothing and footwear will make the tour more enjoyable. Maximum 80 passengers.

Icebreaking Experience

Conference tour

Hold your conference among ice floes and a magnificent natural setting. Book the whole icebreaker for a company or a group. The unusual setting stimulates creativity and encourages new ideas. Take a walk and participate in activities on the ice, when weather permits. Bathe among the ice floes in a survival suit. You stay warm and dry in clothing and footwear provided by us. Lunch, dinner, morning and afternoon coffee are served on board. Maximum 40 passengers.

Combine a tour with other adventures

All tours on the Arctic Explorer can be combined with other experiences and adventures. A snowmobile safari, dog team tour, horsesleigh tour, driving a car on ice, ice curling, snow sculpture and an outdoor hot tub followed by a dip in an ice-hole are some examples. We tailor make arrangements for each group.

The Icebreaking Experience is available between middle of January until middle of April. The ship is robust, holds ice classification and is fitted out for expedition trips in northern waters. The crew are experts who work with tourism in harsh environments on a daily basis. Their skills is your assurance of quality and a guarantee that we offer safe and comfortable tours.
